

Prof. Dr. Patrick A. Rüh

Eidgenössische Technische Hochschule Zürich
Institut für Lebensmittelwissenschaften,
Ernährung und Gesundheit
Lebensmittelstrukturverfahrenstechnik
Schmelzbergstrasse 7
CH-8093 Zürich

E-Mail: patrick.ruehs@hest.ethz.ch

Internet: www.hest.ethz.ch

- Seit 2025 Assistant Professor (tenure track)
Food Structure Engineering Group, ETH Zürich, Switzerland
- 2020 - 2024 Head of Science
Planted Foods AG, Kempththal, Switzerland
- 2019 Senior Scientist
Complex Materials, ETH Zürich (Prof. André R. Studart)
- 2018 - 2019 Post Doc
Bioinspired Materials Science and Bioengineering, University of California Berkeley,
Prof. Phillip Messersmith
- 2015 - 2018 Post Doc / Senior Scientist
Complex Materials, ETH Zürich (Prof. André R. Studart)
- 2014 - 2015 Researcher and Lecturer
Laboratory of Food Process Engineering, ETH Zürich
- 2011 Scientific Visitor
Chemical Engineering Group, Stanford University (Prof. Gerry Fuller)
- 2010 - 2014 PhD in Food Process Engineering, ETH Zürich, (Prof. E. J. Windhab and Prof. P.
Fischer)
- 2008 - 2010 Master in Food Science, Major in Food Processing, ETH Zürich (Prof. R. Mezzenga)
